

**University Booth, Station 1**  
**Tuesday to Thursday: 11:00 - 12:00**

**SPACE: A Hardware/Software SystemC  
Modeling Platform Including an RTOS**

**Jérôme Chevalier, Ph.D. Student, Guy Bois, Prof.**  
**École Polytechnique de Montréal**

- ❑ SystemC platform for HW/SW partitioning of real-time systems
- ❑ Links four levels of abstraction
- ❑ H/S SystemC co-simulation
- ❑ H/S modules permutation without recoding
